Golf is now more popular than ever and with increasing numbers of people playing, there can be more to worry about than just your back swing.

Equipment is expensive to replace if it's lost, damaged or stolen and with a sharp rise in the number of people on the course you need to take extra care in case of accidents, either to you or caused by you!

The best golfers rely on their caddy to ensure they have a good game. Now you can insure yourself a trouble free round with our caddy – CADDYSURE.

**CADDYSURE** is an insurance package tailored to meet the needs of the individual golfer. Cover costs from as little as £42.10 per year and is available to all amateur golfers resident in the UK.

**CADDYSURE** will pay for the repair or replacement of lost or damaged golf equipment. It also provides Personal Accident benefits, cover against accidental injury to third parties or damage to their property and includes our unique "Hole-in-One" Cover.

**Golf Equipment** is covered continuously throughout the period of insurance, whilst anywhere within the UK, for up to £1,500. This can be increased by purchasing one of the **OPTIONAL EXTENSIONS**. We can then provide cover anywhere in the World excluding USA and Canada for any Trip up to 30 days duration. Cover for equipment is automatically increased to £2000. A further extension can be purchased to provide cover for the USA and Canada.

**Personal Effects, Personal Accident and Public Liability** covers apply whilst at any golf club, course or driving range in the UK, and there is even cover against theft of Pedestrian Battery Assisted trolleys from a securely locked building, anywhere in the UK. "**Hole-in-One**" cover applies whilst you are competing in any official Affiliated Golf Club Competition or Tournament or any PGA Pro Am Competition or Tournament within the UK and in respect of private Golf Club Members, at all times whilst at any Golf Club within the UK.
